THE PROBLEM

- Ignorance
 - Preconceived notions
 - Stereotypes
 - Biases
 - Racism
 - Disconnect
 - ETC

THE SOLUTION

Cover to Cover

➤ **Ask Questions**

- If users find a story that interests them, they can start a discussion by asking questions

➤ **Discuss**

- Amongst other users by leaving comments or browsing other user questions
- As the owner of the post, select and answer questions that you feel will add more to your story

➤ **Learn**

- From the type of questions being asked by users around the globe and other stories on the site!

Cover to Cover

DEMO

TECH MILESTONES

- ❖ Implemented redux for state management
- ❖ Relational vs Non Relational Databases
- ❖ Us vs the User
- ❖ Multer use for uploading files
- ❖ Question functionality for the app

Future Implementation

- Adding a map on the global page
 - ◆ users would be able to pin their location & see other pinned location.
- A trending page for the most popular posts.
- Infinite Scrolling on website
- Quotes to on the landing page.
- Video posts
